CALL FOR EXPRESSION OF INTEREST

PRAXI Network, in the framework of the implementation of the project EEN HELLAS 2020-2021, launches a direct award for the use of an event management software for networking events for 7 physical and/or virtual events, planned in 2021.

Detailed software specifications:

- » Ability to switch from a physical event to a virtual event
- » Ability to manage the event attendees
- » Ability to award multiple organizer accesses, permissions and role responsibilities
- » Ability to import participant lists, contact data sets, and send invitations. Additionally, all data should be able to be exported to Excel/CSV.
- » Ability to create and print customized badges
- » Mobile app to streamline the check-in process
- » Availability of custom feedback forms, multi-stage distribution, and meeting rate options
- » GDPR Compliance
- » Participants should be able to easily enter their networking profile in the software and tailor their networking experience by requesting, managing, and pre-scheduling their meetings before the event.

Budgetary expenditure: 6.965,00 € (six thousand nine hundred and sixty-five euro), not including VAT. (price with VAT 24%: 8.636,60 €)
